CASE NO. CR-FE-2012-0017869

March 15 2016

Judge Melissa Moody,

I would like to begin the process of applying for a restricted driving permit.

I served 33 months disciplinary free and completed T.C. on time - 3 months of which I served on the front line. I used my time wisely and I have come to know that my drinking life is part of my past. I have 3 yrs, 4 months sober, work my recovery diligently with my sponsor and have one sponsee of my own.

my parole officer is Corrine Vittey - cvittey@idoc.idaho.gov I have been an exemplary parolee and for the first time ever I feel my sobriety has taken hold.

My P.O. knows I take my recovery very serious. She also know I have met every one of my goals placed in my parole plan including volunteering weekly at CREATE COMMON GOOD. (I would volunteer more often with a permit)

My P.O. has instructed me to contact the courts first, for approval on your end, before she helps me address the commission as they also have a stipulation regarding privileges attached to my parole agreement. I am only asking for a work permit.

Thank you for your consideration.

Teresa Marrone

CHRISTOPHER D. RICH, Clerk  
By KIERSTEN HOUST  
DEPUTY

IN THE DISTRICT COURT OF THE FOURTH JUDICIAL DISTRICT OF THE  
STATE OF IDAHO, IN AND FOR THE COUNTY OF ADA

THE STATE OF IDAHO,

Plaintiff,

vs.

TERESA LEE MARRONE aka  
TOLLMAN,

Defendant.

Case No. CR-FE-2012-0017869

ORDER DENYING MOTION  
FOR RESTRICTED DRIVER'S  
LICENSE WITHOUT A HEARING

On March 4, 2013, a judgment of conviction entered, sentencing the Defendant to ten (10) years in the custody of the Idaho Department of Correction, consisting of two and a half (2.5) years fixed, followed by seven and a half (7.5) years indeterminate, for the felony crime of driving under the influence. This crime was committed while Defendant was on probation for a prior conviction of felony driving under the influence.

The judgment reflected that the Defendant's driver's license should be suspended for five years, absolutely, beginning on the date of Defendant's release from custody. It appears that the Defendant has been released from custody. The Court has not received any notice from the Idaho Department of Correction regarding Defendant's release; however, the Defendant herself filed a motion for restricted driving privileges and a letter in support of that motion.

The Court has read Defendant's March 15, 2016 letter. Defendant reports that she served 33 months in custody without any disciplinary reports and is now doing very well on parole. Defendant reports that she is volunteering weekly at Create Common Good and is active in recovery. This is an excellent report and bodes well for Defendant's continued success on parole.

The Court denies Defendant's motion for restricted driving privileges without a hearing for the reasons set forth below.

At the time that Defendant was sentenced, Idaho Code § 18-8005(6)(d) provided that a defendant convicted of felony driving under the influence:

[s]hall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, and may have his driving privileges suspended by the court for not to exceed five (5) years after release from imprisonment, during which time he shall have absolutely no driving privileges of any kind.

In 2015, the Legislature amended the above section, so that it now reads:

Shall have his driving privileges suspended by the court for a mandatory minimum period of one (1) year after release from imprisonment, during which time he shall have absolutely no driving privileges of any kind, and may have his driving privileges suspended by the court for an additional period not to exceed four (4) years, during which the defendant may request restricted driving privileges that the court may allow if the defendant shows by a preponderance of the evidence that driving privileges are necessary for his employment or for family health needs . . .

Idaho Code § 18-8005(6)(d).

Notwithstanding the change in the law, this Court lacks the authority to grant the Defendant's application for a restricted driver's license. The statute makes clear that a defendant convicted of felony driving under the influence shall have absolutely no driving privileges of any kind for no less than a year following release from imprisonment. It is the burden of the movant (here, the Defendant) to show that that

year has elapsed and the Defendant is eligible for restricted privileges. The Defendant has provided no proof that she is eligible for restricted privileges. Therefore, the Court DENIES Defendant's motion for a restricted driver's license.

IT IS SO ORDERED.

Dated this 21<sup>st</sup> day of March 2016.

DEPUTY

Judge Melissa Moody,

I am addressing the court to make note that I have now satisfied the statute of the courts decision to suspend my drivers license for a mandatory minimum period of (1) year after my release from prison. District 4 P+P also said they would contact you in regards to me fulfilling this absolute suspension of (1) year. In April I was denied because I applied pre-maturely. I have provided proof of my release over 13 months ago.

I have been sober since Nov 29 2012. I am very active in the AA community and plan to continue living and working the 12 steps. Probation and parole has approved to different felons to rent rooms from me because I have proven to be a good role model. I am working hard to buy my next house to open up to women with children needing a sober living house. This is proving to be more & more difficult without a license.

I have been working 2 jobs since April 2014 and I'm still in close contact with Create Common Good reporting connections with job placement for their graduate program. I have discovered a whole new world of opportunity and having the privilege to drive

would help me to be successful.

For over 6 months I have been paying UBER and now with my new business ventures my transportation costs are exceeding 600.00 per month.

Also, my youngest daughter just started school at U of I and it would be nice to be able to drive up and visit her. (Her father is deceased) She's already homesick.

I have provided a quote sheet for car ins (SR-22) with my home owners and upon approval it will be effective immediately.

I'm not sure if you contact DOT because if you in fact restore my privileges I will have to re-take the written and driving test.

- Thank you for your consideration in this matter.

Case No. CR-FE-2012-17869

ORDER DENYING MOTION FOR  
RESTRICTED DRIVER'S  
LICENSE

On November 4, 2016, a hearing was held on Defendant's motion for restricted driving privileges. The Court denied the motion for the same reasons it denied the motion previously. See March 21, 2016 Order Denying Motion for Restricted Driving Privileges Without a Hearing. The Court explained that it did not have the authority to grant the motion, but that the Defendant did have the right to appeal the Court's decision. The Court is taking no further action on Defendant's motion at this time.

IT IS SO ORDERED.

Dated this 7<sup>th</sup> day of November 2016.

ORDER ON MOTION TO SEAL

On November 4, 2016, at a hearing on Defendant's motion for restricted driving privileges, the prosecuting attorney made an oral motion to redact the Defendant's driver's license and social security number from the Court file and/or seal this information.
